Show your pride in Hillsborough every time you use your card.

Introducing the Hillsborough Rewards Visa® Credit Card.

Affinity Federal Credit Union and Hillsborough Township have teamed up to offer you a truly unique credit card. With the new Hillsborough Rewards Visa Credit Card, exclusive to township residents, you can give back to your community — while earning rewards at the same time. Every time you make a purchase you'll be supporting important youth and senior programs, and non-profit organizations.

Earn one point for every dollar you spend.

The more you use your Hillsborough Rewards Visa Credit Card, the more points you'll earn toward added rewards. Through the Affinity Awards Program, you'll earn one point for each dollar you charge, and all points are redeemable for travel rewards, gift certificates or cash.

No annual fee or hidden charges.

The only surprise that comes with this card is how different it is from all the rest! There is no annual fee or hidden charges to worry about. Plus, you can take advantage of competitive everyday rates.

Merchant discounts and added security for online purchases.

The Hillsborough Rewards Visa Credit Card becomes even more rewarding with discounts at participating nationwide merchants — such as hotels, auto rentals and more. If you like to make your purchases online, your accounts and identity will always be safe with the added security of Verified by Visa® at no additional charge.

The advantages of Affinity.

Better customer service. Stronger ties to the community. Safe, secure financial strategies. Those are the core values of Affinity Federal Credit Union. Unlike big, impersonal banks, Affinity is a not-for-profit credit union, so we don't answer to Wall Street. Every decision we make is based on what's best in the long run for our members. That means better rates, lower fees and a wider range of products and services to choose from.

Help support Hillsborough's youth and senior programs, and non-profit organizations with every purchase you make.
