Disclaimer:

Please be advised that the numbers posted on the Township website are those that are reported through the Somerset County Department of Health based on reports from the NJ Department of Health surveillance system. Somerset County completes their count at a specific time during each day. The numbers reported are from that point in time. Also, the reported numbers are only from those individuals who have been tested for Covid 19 and are confirmed positive through an FDA approved laboratory for Covid 19 testing purpose. It does not include those contacts of the positive individuals or any individuals, who are sick and have not been tested.

If you are a Hillsborough resident and have tested positive for Coronavirus / COVID-19, please contact the Health Department at 908-369-5652.

The Hillsborough Township Health Department continues to monitor all cases and is working with the State to identify any potential contacts for follow-up. A representative from the Hillsborough Township Health Department will reach out to all individuals determined to have been in close contact with the positive testing persons within 24-48 hours of each case being confirmed.
