### **Eagle Scout John Welches Honored With Proclamation**

John Welches, a Senior at Hillsborough High School and a member of Boy Scout Troop 489, was recognized at the January 23rd Township Committee Meeting for earning the rank of Eagle Scout.

For his Eagle Scout Project, John constructed helmet and shoulder racks for the Jr. Raiders Field Complex. The racks provide organization and storage of hundreds of different sized helmets. The project involved designing the racks, cutting and grinding pieces of metal, welding the frame together and painting.

John was Patrol Leader, Assistant Patrol Leader and Troop Guide of Troop 489 and participated in Hillsborough High School Lacrosse his freshman year.

John serves as an example to the youth of Hillsborough Township through his high level leadership and community service, and the Mayor and Hillsborough Township Committee are very proud that he is a member of our community.

## Eagle Scout Tyler Welches Recognized with Proclamation

Tyler Welches, a recent graduate of Hillsborough High School and a member of Boy Scout Troop 489, was recognized at the January 23rd Township Committee Meeting for earning the rank of Eagle Scout.

Tyler's Eagle Scout Project consisted of constructing a shadow box fence for the Jr. Raiders football organization to give privacy to the Women's and Men's restrooms. The project involved inquiring into the need for permits, drawing plans, digging holes for the posts, building the shadow boxes.

Tyler was Historian, Assistant Troop Leader and Patrol Leader and participated in Hillsborough High School Lacrosse his freshman year.

Tyler serves as an example to the youth of Hillsborough Township through his high level leadership and community service, and the Mayor and Hillsborough Township Committee are very proud that he is a member of our community.

## Business Community and Township Building Department Collaborate - Business Roundtable Hosted by HBA

Nearly 30 local business owners braved the snow last Wednesday morning to attend the Business Summit Roundtable Discussion with the Building Department, hosted by the Township's Business Association, led by Business Advocate David Kois.

Township Administrator Anthony Ferrera opened the event, welcoming business owners and providing the agenda and format for the roundtable. "Balancing the needs of the Business Community while working within the confines of the regulations led to this collaborative event," stated Administrator Ferrera.

## Township Officials Met with NJDOT on Bypass Update Project to Begin Spring of 2018

Mayor Gloria McCauley, Township and NJDOT Officials met Tuesday morning for the status update on the Route 206 Bypass project.

"We are excited and looking forward to the completion of this phase of the project," commented Mayor Gloria at the opening of the meeting.

Those in attendance from NJDOT were George Worth, Project Manager of the Route 206 Bypass, Meredith Hammond, Community Relations NJDOT, Matt Loper, Somerset County Engineer, Hillsborough Township Mayor Gloria McCauley, Administrator Anthony Ferrera, Township Planner David Maski and Assistant Township Engineer Tom Belanger.

The Route 206 Bypass in Hillsborough was first considered as early as the 1970s, as the community began to develop. It remained only a concept until the early 2000s. Near the end of 2006, then Mayor Carl Suraci called on the New Jersey Department of Transportation to remove the "no-build" scenario from the Bypass plan.

Following the necessary environmental studies, in June of 2007, the "no-build" scenario was lifted from the plan and an official design was presented to the Hillsborough Township Committee. By August of 2010, then Mayor Frank DelCore was joined by local and state officials to break ground and officially start construction of the Route 206 Bypass, mid-section.

## Former DPW Director Chris Villano Remembered

Flagtown - Chris Villano passed away on Thursday January 18, 2018 at Robert Wood Johnson Hospital in New Brunswick, New Jersey, surrounded by his loving wife and family. He spent his life in Flagtown, NJ, living in the house in which he was born. In 1945, he enlisted in the United States Marine Corp. During his time in the Marines, he served as a Gunnery Sergeant and in the Marine Honor Guard. After the Marines, he returned to Flagtown, and worked for Hillsborough Township Public Works. He retired as the Director of Public Works in 1998 after 35 years of employment. Chris enjoyed spending time with his family and singing country music. For many years he had his own band, performing as Chris Val, with many notable country singers and starring on radio shows.

He is predeceased by his parents, siblings, and his oldest son, James Villano. He leaves behind his wife, Loretta; and his children, Gregg; Arthur and wife, Kelly; and Debbie all of Hillsborough; Kenneth and wife Jeanine of South Bound Brook; Sherry of Huston, TX; Glenn of Easton, PA; and Christy and wife Barbara of Garner, NC. He is also survived by his grandchildren, Aidan, Adam, Karli, Jonathan, Amanda, Kylie, Leanne, Heather, Jackie, Desiree, Damien, Glenn James, Aaron, Sharon, great grandchildren, and many nieces and nephews.

## Department Updates

### Building Department

#### *Pipe Break Advisory*

There have been multiple pipes bursting in Town due to the recent cold weather. As a reminder, we recommend to insulate pipes in crawl spaces to create warmth. If you are planning on going away for an extend period of time, avoid turning your heat off.

Please note that if your HVAC units stop working and need to be replaced, the building department must be notified. The permit application needs to be submitted by the licensed contractor within 72 hours of the notification.

### Engineering

#### *Sump Pump Discharges in Extreme Cold Weather*

Due to the recent extreme cold temperatures some homeowners who have sump pump discharges to the public street or sidewalk could be causing an unsafe condition. These discharges are creating icing conditions to the street or sidewalk which are hazardous to pedestrians and motorists.

An updated Township ordinance does not allow these discharges to the public right-of-way. Existing discharges that are causing icing conditions will be requested to relocate these discharges away from the roadway or sidewalk.

The Engineering Department has been notifying residents that are causing these hazardous conditions and the Township Committee is asking for cooperation from the residents in this matter.

The Township does not want to have to initiate legal enforcement on any resident, so please work with the Engineering Department to resolve and address their requests. We want to prevent a sidewalk slip and fall or a traffic accident.

### Finance

#### *Property Tax Assesment Cards*

The annual assessment cards will be mailed in mid-February. Property owners are reminded that these cards show the assessed value and billed taxes only. They do not reflect actual tax payments made in 2017. Anyone wishing a printout of their 2017 tax payments can contact the Finance Department, who can mail or email you a statement showing the taxes paid, including any pre-payment for 2018 taxes made in 2017.

#### *Dog License Renewal*

Effective January 2, 2018, you may renew your dog license for 2018. The cost is \$21 for spayed or neutered, and \$26 for non-spayed or neutered. You may mail your payment, pay in person at the Finance office, or use the free on-line system at [www.hillsborough-nj.org](http://www.hillsborough-nj.org). Please make sure the rabies vaccination is good through October 2018.

## Health

### *Flu Season is Upon Us*

The 2017- 2018 flu season is in full swing with increased activity in our area at this time. The flu can stick around through May, so it is not too late to get a flu shot. Remember that you cannot get the flu from the flu shot and the flu shot takes 2 weeks to be fully effective. Please read reasons to get a flu vaccine on the [Center for Disease Control's website](#). This document also lists conditions that increase the risk of complications from the flu, since people with immune deficiencies, chronic conditions, the elderly, and young children can be at a greater risk of complications from the flu which may be severe.

The flu virus is contagious for 24 hours before symptoms appear to 7 days (or more for children) after symptoms begin. Most of the time it is spread by droplets in the air when someone coughs or sneezes, but it can also be spread when the droplets land on a surface, and a person touches that surface and then touches their eyes, nose, or mouth. Once the virus enters a person's body, it incubates for 1 to 3 days before symptoms appear.

### Annonymously Report a Crime With STOPit App

The Hillsborough Township Police Department has partnered with the Somerset County Prosecutor's Office and STOPit, a leading provider of anonymous reporting software solutions. This application provides residents with a safe, secure and anonymous way to provide law enforcement with information or criminal intelligence, and to report non-emergent incidents or concerns.

The anonymous message will be received by personnel from the Somerset County Communications Center along with detectives from the Prosecutor's Office.

The Hillsborough Police Department would like to stress that this application does not replace 9-1-1. Individuals needing immediate assistance or observing a situation requiring an immediate response are urged to call 911.

The STOPit app can be downloaded for free onto your mobile device from the App Store or the Google Play Store. Once downloaded, you can access "Somerset Strong" by entering the access code: SOMERSETNJ

## Former Addict Shares His Story to Steer Hillsborough Students Towards Good Decisions

On January 31, 2018, the Hillsborough High School Sophomore Class will attend Steered Straight, a substance abuse and addiction program delivered by Michael DeLeon. That evening, DeLeon will do a second presentation for

In his presentation, DeLeon will discuss his battle with addiction and the downward spiral it sent his life. By opening up regarding his past, DeLeon hopes that he will steer today's youth away from drug use and poor decisions. He also hopes to provide parents and community members with information regarding current drug and alcohol trends in our community as well as how to engage children and young adults in constructive conversation regarding these difficult topics.
