Hillsborough Township Employees Help Foodstock Exceed Their Goal in FoodStock Challenge

During the week of July 8th, Foodstock, a New Jersey-based nonprofit organization, challenged local municipalities to collect food and other household necessities to restock local food pantries.

Hillsborough Township employees teamed up with their departments for a friendly building-wide competition to see who could collect the most donations. After 5 days and many trips to the grocery store, Hillsborough Township municipal employees collected a total 1,010 pounds of household items. From canned goods to laundry detergent, shampoo, toilet paper, and everything in between, Township employees collected items that would benefit others the most and were in the highest demand at the CAN (Community Assistance Network). Each department agreed that this competition was an exciting way to get together and support a great cause.

We Need Your Help!

Pear for Pair: Calling for Donations

Pear for Pair is a project started by Priti Patel to help make a difference in the lives of children from Africa, India and Nepal by having Hillsborough children donate their shoes. Anyone can drop off sneakers or canvas shoes that can fit children ages 5-13 in the donation box

found outside the entrance to the library in the municipal building. Dress shoes or sandals are not needed. However with enough donations of sneakers and canvas shoes, we can help make the lives of less-fortunate children a little bit better.
