Department Updates

Building Department

Winterize Your Home

The Building Department is pleased to announce an amnesty program, which will run until January 31, 2019. This program will excuse residents and business owners from getting penalized for having open permits, having previous work done without permits, failing to obtain a Certificate of Occupancy and/or have an expired Temporary Certificate of Occupancy. If you visit the Building Department within this allotted time frame, we will assist you with gaining compliance for your projects. Permit fees will still be applicable but, again, you will not be penalized for noncompliance.

Business Advocate

The Hillsborough Township Business Advocate encourages the business community to visit the newly updated HBA website at www.hillsboroughbusiness.org, to update their business profiles on the Hillsborough Township Business Finder. While on the website, check out some of the new features. Businesses now have the ability to submit their events to be posted on the HBA Calendar.

Engineering

Engineering Inspections in the Winter Months

The Engineering Department would like to advise the public that the Township has received bids for the left turn traffic signal modifications at the intersection of Triangle and Auten Roads.

The contract was awarded November 20, 2018. Once materials and supplies are ordered, construction will begin. The contractor indicated construction should commence approximately April 2019.

Finance Department

2019 dog license renewals are now being mailed out. Renewals can be paid in person in the Finance Office, by mail, or by using the online system beginning January 7th. Your dog's rabies vaccine must be valid through October 2019 in order to renew.

Health Department

The Health Department is distributing free radon test kits to residents on a first come, first serve basis. These kits are not intended for residences built after

Radon Kits

2002. If you live in a house that was never tested and was built on or before January 1, 2002, these kits will help you to determine your risk and what prevention system, if any, is necessary. One kit per residence will be provided.

**Free Rabies Vaccination Clinic**

Annual Free Rabies Vaccination Clinic to be held on Saturday, January 26th at the Hillsborough Township Department of Public Works Yard located at 21 East Mountain Road. No pre-registration is necessary. Dogs must be leashed and cats are required to be in a secure carrier.

**Police**

The Police Department reminds residents that NJ law requires all snow and ice to be removed from your vehicle's hood, windows and roof before driving. For your safety, drive slow & adjust your speed for the changing road conditions and increase your following distance from other vehicles. Give snowplows and sander vehicles plenty of room to work. Don't tailgate and try not to pass them as their field of vision is restricted. You may see them but they don't always see you!

Public Works

There is a prohibition of parking on snow covered roads. Township Code Chapter 143-21 prohibits parking on snow covered roads. Vehicles are subject to summonses and the potential of being towed at the owner's expense. When snow is anticipated, use off street parking as an alternative.

Whenever snow has fallen and the accumulation is such that it covers the street or highway an emergency shall exist, and no vehicle shall be parked on either side of any of the streets or parts thereof as described in Schedule XVI (§ 143-45) of the Township Code. It is necessary to have the streets accessible and free from parked vehicles to allow for the plows to complete their work.

For the safety of our residents, your vehicles and the effectiveness of Public Works plowing and salting efforts, it is imperative that residents adhere to these restrictions. The parking prohibitions shall remain in effect after the snow has ceased until the streets have been plowed sufficiently and to the extent that parking will not interfere with the normal flow of traffic.

Recreation

Registration is currently ongoing for ALL winter programs. Spring Girls Softball leagues and Spring Soccer leagues are also open for registration. Don't miss out on the fun. Register today!
