## **Police**

The Hillsborough Township police reminds residents, as we approach winter, that NJ law requires all snow and ice to be removed from vehicle's hood, windows and roof before driving. For your safety, drive slow & adjust your speed for the changing road conditions and increase your following distance from other vehicles. Give snowplows and sander vehicles plenty of room to work. Don't tailgate and try not to pass them as their field of vision is restricted - you may see them but they don't always see you!

Also just a reminder that Township Code Chapter 143-21 prohibits parking on snow covered roads. When snow is anticipated, use off street parking as an alternative. Vehicles are subject to summonses and the potential of being towed at the owner's expense.

## **Public Works**

The Township Leaf Collection Program has concluded. The entire town received two passes at a minimum. Roughly ten thousand cubic yards of leaves were vacuumed throughout the town. Local farmers accepted the leaves to use as a soil amendment for their crops.
