[Mayor Frank DelCore to Host a Town Hall Informational Session on Affordable Housing](#)

Thursday, April 18th, 6 pm – 8 pm

Mayor Frank DelCore announces a Town Hall Public Information Session regarding New Jersey State mandates relative to Affordable Housing. The session is scheduled to be held on Thursday, April 18th at 6 pm at the Peter J. Biondi Municipal Building.

In an effort to educate the public on the topic of affordable housing and the corresponding impact on municipalities, the following parties will be present to provide information and answer questions related to the State mandates and future plans:

Mayor Frank DelCore
Deputy Mayor Doug Tomson
Assemblywoman Holly Schepisi
Jennifer Beahm of Leon S. Avakian, LLC
Eric M. Bernstein of Bernstein and Associates, LLC

Auten Road Intermediate School fifth grade Team 5J, led by Mrs. Lyons and Mr. Augello, and Team 5K, led by Mrs. Corlis and Mrs. Andreski, participated in the Fifth Annual Soup-er Bowl soup collection.

The Soup-er Bowl is a challenge between the teams to collect the most cans of food to donate to the Hillsborough Township Food

Pantry. Over 100 students participated.

April is Autism Awareness Month

Autism, a pervasive developmental disorder that manifests itself and affects the social, learning, and behavioral skills of those affected by it, is currently estimated to affect 1 in 68 children nationally. In fact, rates are highest in New Jersey where the diagnosis rate for a child with an Autism Spectrum Disorder rose to 1 in 34 occurrences.

Autism is said to affect boys four and a half times more than girls and knows no racial, ethnic or social boundaries. Neither income, lifestyle, nor education has an effect on autism occurrences.

Hillsborough Township Joins Wyland Foundation for Water Conservation

Hillsborough Township Mayor Frank Delore is joining mayors across the country in asking residents to make a long-term commitment to manage water resources more wisely by taking part in the annual Wyland National Mayor's Challenge for Water Conservation. The annual challenge is a non-profit national community service campaign that encourages leaders to inspire their residents to make a series of simple pledges to use water more efficiently, reduce pollution, and save energy.

"Water conservation is critical for a sustainable future and Hillsborough remains dedicated to supportive efforts for further education and awareness to initiatives such as this," stated Mayor Frank DelCore.

Anthony Foord Memorial Bench Dedication

Saturday, May 4, 2019 @ 10:00 am Municipal Soccer Fields

On Saturday, May 4th, a memorial bench at the Municipal Soccer Fields will be dedicated to long time Hillsborough resident, Anthony "Tony" Foord. The ceremony naming the bench will be held on Saturday, May 4th at 10 am.

Mr. Foord immigrated from England in 1961 and brought his love for the game of soccer. To quote his family, "he enjoyed playing, coaching, refereeing and managing all things soccer".

ADOPT A HIGHWAY

The Hillsborough-Millstone Municipal Alliance, also known as BoroAWARE, partnered with the NJ Adopt-A-Highway litter

removal program to clean up a one mile stretch of Route 206 in Hillsborough. Volunteers from the Municipal Alliance took to the roadway, not only to clean up litter, but to bring awareness to the drug and alcohol prevention programs provided by the Alliance and their partners. On Saturday April 6th, travelers on Route 206 may have seen the NJDOT signature Alliance signs at the beginning and end of the mile where the clean up takes place in the spring and fall. Alliance members volunteered to complete the roadside clean up.

In New Jersey, only Home Owners and Design Professionals (i.e. - Architect or Engineer) are allowed to draw these plans. Your contractor is not permitted to draw the plans.

Engineering

The Engineering Department would like to advise residents that as a result of the natural topography of land natural stormwater run-off from higher elevations is allowed to drain through lower properties. Typically, this run-off is diverted around homes through swales along property lines.

However, please keep in mind that residents are not permitted to block natural runoff but may re-route swales or water flow to protect their property without creating adverse impact to the adjoining neighboring properties.

If the Engineering Department is contacted about an issue, the department may review and possibly contact the affected parties of potential issues with a letter. The department does not have the authority to issue fines, violations or take court actions. In such cases, any unresolved disputes between homeowners are civil matters and should be handled as a private legal matter.

If an adverse condition is created, it is recommended that the neighbors work together for an amicable solution.

Finance

The first payment by the State of New Jersey for the Homestead Benefit has been received and applied to your May taxes. You will be receiving a small pink bill in the mail this week which reflects the new amount due for your 2nd quarter taxes. If your taxes are paid by your mortgage company, they have been notified as well.

Health

The Health Department would like to recognize April as Sexually Transmitted Diseases Awareness Month.

The Federal Centers for Disease Control (CDC) has designated April as Sexually Transmitted Diseases Awareness Month.

This is due to the surging increase in the numbers of STDs every year since 2013. Half of all 20 million newly diagnosed infections are in people ages 15 to 24, and it is important for these young people, as well as everyone else, to protect their health. The first step is to understand that these diseases, if left untreated, can result in serious health issues that include infertility, acquiring HIV, acquiring the resistant form of Gonorrhea, and babies born with Syphilis. The STD caused by Human Papilloma Virus (HPV), can cause cancer as well.

HPV can now be prevented by getting vaccinated. Some other infections can be prevented by using condoms. Abstinence is the only sure way to prevent STDs. Those who are sexually active, should be tested regularly. Speak to your doctor about testing, and for free and low cost testing, please call Zufall Health in Somerville 908-526-2335. Please see the Health Dept. website for links to the CDC website for more information.

April is also Sexual Assault Awareness Month. The Health Department would like to recognize Zufall Health in Somerville, NJ for their Sexual Assault Prevention and Recovery Services, Survivor accompaniment to the police station, court and counseling services. Their hotline number is 908-526-7444.

The Green Living and Wellness Fair will be held on Saturday, June 1st in conjunction with the YMCA Annual Hillsborough Hop. Mark your calendars to save the date. More information will be coming soon.

NEW JERSEY TREE RECOVERY CAMPAIGN

In 2012, numerous landside and many communities with dead and damaged trees. The New Jersey Tree Recovery campaign is a partnership between the Arbor Day Foundation and the NJ State Forestry Service. The campaign focuses on "planting trees to homeowners and communities who lost their urban canopy in the wake of Hurricane Sandy."

As reported by the Arbor Day Foundation, more than 500,000 trees have been distributed to date and many more are still needed. Hillsborough Township has partnered with these organizations to provide our residents with seedlings to replace missing trees.

On April 27th between 7am and 3pm, Hillsborough Township Department of Public Works will distribute 4" - 10" high bare root tree seedlings to residents at our Auten Road Facility. Each resident can receive up to 5 seedlings. Quotas are limited and distributed on a first come, first served basis. You do not need to be registered for the annual clean up program in order to obtain the seedlings. Hillsborough residents will be required to show proof of residency upon entering the site.

More information on the program and [planting instructions](#) can be found on the [New Jersey Recovery page](#) on the Arbor Day Foundation's website or the [New Jersey Forest Service](#) website.

LUNG FORCE WALK

JOIN THE FORCE AGAINST LUNG CANCER & LUNG DISEASE

May 4, 2019

Duke Island Park | Bridgewater, N.J. | 8:30 A.M.

Join us as we walk together along a beautiful canal trail to raise awareness and funds to fight lung disease.

While families and healthcare providers walk in their honor, patients & survivors can share conversation and enjoy a special breakfast underneath the Pavilion. Event will conclude with an appreciation picnic including activities for everyone.
