[Mayor Doug Tomson Issues Statement on Political Civility - Also Cites 1st Amendment Rights and Reminds Citizens of Penalties Surrounding Theft or Tampering with Political Signs](#)

Hillsborough Township has been ranked one of the best places in America and one of the safest places in New Jersey to live. With these very special distinctions in mind, I am disheartened by reports of, yet again, individuals tampering with political lawn signs. As Mayor, the people of Hillsborough have my word and steadfast commitment that the Hillsborough Township Committee and I will do our very best to continue to set the right example for civility in politics, throughout the year and especially during campaign season. As a public service reminder, tampering with (i.e., stealing or vandalizing) political signs is a violation of other people's freedom of speech. Citizens also need to know that, according to the law, those who tamper with political signs can be charged with theft, criminal mischief and/or trespassing. [Read more.](#)
