## Vaccination Registration

If you wish to register for the COVID-19 vaccine, you can do so via the state website at the link: <https://covid19.nj.gov/pages/vaccine>.

By completing the registration process, you will then be placed in a Phase and Group. Depending on the placement, you may not receive an email confirmation for quite some time.

The state will be creating a hotline number for questions and additional information. In the meantime, you can contact the Hillsborough Health Department at 908-369-5652.
