Snowstorm Cleanup

Department of Public Works snowplow crews, working long hours to clear township roads during the February 1st snowstorm, shot a quick video to share with the community. "Ride along" on one of Hillsborough Township's single axle dump trucks equipped with a wing plow extension as it quickly clears massive amounts of snow from Township roadways.

Township Employees in the Community

A big THANK-YOU to DPW employees, Fred Tenore and Jorge Rodriguez! Both Fred and Jorge inquired about volunteering and generously gave up a Saturday morning to do some necessary clean up on Triangle Road. It is particularly important to note that neither of these men are Hillsborough residents, but decided they wanted to give back to the community that they work for. Fred and Jorge, thank you for volunteering your time. You are both an inspiration to others!
