[COVID-19 Updates](#)

October is Breast Cancer Awareness Month

At the September 28th Township Committee meeting, Mayor Shawn Lipani read a proclamation recognizing October as Breast Cancer Awareness Month.

Breast Cancer Awareness Month is an annual campaign to increase awareness of this disease, encourage early detection, and support research to find a cure. While there has been an increase in mammography rates and a decline in deaths, there is more that can be done to spread education and awareness.

[Dance for the Cure](#) is a non-profit organization committed to the prevention and cure of breast cancer through the celebration of dance and providing financial assistance to local women who were impacted by breast cancer with donations totaling over \$800,000 since its founding in 1999.

Will D'Andrade, Eagle Scout

At the September 28th Township Committee meeting, Mayor Shawn Lipani presented Hillsborough High School Junior, Will D'Andrade, with a proclamation recognizing him for achieving the rank of Eagle Scout.

Will's Eagle Scout project consisted of installing new hand sanitizer stations at Hillsborough's outdoor YMCA Children's Day Camp. The project involved cutting wood and PVC board, mixing concrete, and fastening materials so they are at a convenient height for a child. The project took 59.7 hours to complete with the assistance of eight volunteers. The hand sanitizer stations will help reduce exposure to the Covid-19 virus,

minimize indoor handwashing visits, and reinforce clean habits.

Congratulations to Will and the best of luck in the future!

Neel Patel, Eagle Scout

At the September 28th Township Committee meeting, Mayor Shawn Lipani presented Hillsborough High School Senior, Neel Patel, with a proclamation in recognition of achieving the rank of Eagle Scout.

Neel's Eagle Scout project was a trail conservation effort. By constructing a 16 foot long by six-foot-wide footbridge at Skillman Park, foot traffic will be diverted from the drainage route, decreasing soil erosion. This project took a total of 160.5 hours to complete, with the assistance of 18 people.

Congratulations to Neel for this accomplishment and the best of luck in the future!

Michael Shouldis, Eagle Scout

At the September 28th Township Committee meeting, Mayor Shawn Lipani presented Hillsborough High School Junior, Michael Shouldis, with a proclamation recognizing him for achieving the rank of Eagle Scout.

Michael constructed an outdoor classroom at the Hillsborough YMCA for his Eagle Scout project. He used recycled wooden pallets to create a table and used wooden rounds as stools. The project took 128 hours to complete with the assistance of five scouts and four adults.

Congratulations to Michael for this accomplishment and good luck in the future.

Go Green for Halloween!

Do you have old Halloween costumes that you don't need anymore? Take part in the Recreation Department's Halloween Costume Exchange! They are collecting clean, gently used costumes and accessories from Monday, October 4th through Thursday, October 7th at the Municipal Building.

There's no need to donate a costume to pick out a new one. Costume pick-up will take place on October 8th & 9th.

Mayor Shawn Lipani to Host Mayors Walk and Talk

The annual Mayors Community Wellness Walk and Talk is back and will be held on Sunday, October 10th at Duke Farms at 10 am.

As part of the Mayor's Wellness Program, the Walk and Talk enables Hillsborough residents to chat with Mayor Shawn Lipani while getting in some exercise and enjoying the beautiful fall scenery at Duke Farms.

Registration is available on the [Township website](#), or by calling the Administration Office at 908-369-3535.

Voting is Now Open for the Hillsborough Scarecrow Festival!

Hillsborough is celebrating its first-ever Scarecrow Festival!

**Sign up at <https://hillsboroughcovidvax.timetap.com/>
or call 908-369-5652.**

Bring your insurance/Medicare card and vaccine card.

**Hillsborough Township
Health Department**

I got the COVID-19 vaccine because...

Erynn Murray

"I'm a K-12 Health and PE teacher in Princeton Public Schools...By getting the vaccine, I can keep myself safe as well as keep the children safe, since many of them are not eligible for the vaccine yet. Personally, I wanted to get back to in-person teaching, as virtual PE has some challenges. Having the vaccine as an option has allowed the schools to remain open as well as the children to have a "close to normal" educational experience."
