Flags for Heroes

At the October 12th Township Committee meeting, Mayor Shawn Lipani announced that Hillsborough Township will be transforming the front lawn of the Municipal Complex into a Field of Honor in time for Veteran's Day.

The [Rotary Club of Hillsborough](#) is offering Township residents the opportunity to honor their favorite vets with flags as a way to commemorate their sacrifice and heroism, through the Flags for Heroes initiative.

Residents who wish to sponsor flags for the veterans in their lives can do so for fifty dollars each. The 3' x 5' flags hang on 10-foot poles and will be on display on the corner of South Branch Road and Beekman Lane from November 6th through November 20th.

The Flags for Heroes initiative is a fundraiser with a portion of the proceeds being donated to Hillsborough Township veterans.

"I am always proud of how Hillsborough Township and Rotary continue to honor our Vets," stated Mayor Shawn Lipani. "This will be a wonderful patriotic display in honor of our heroes."

"My grandfather was a WWII Navy veteran," commented Michele Kidd, the member of the Rotary Club of Hillsborough who is leading this effort together with the Township. "He inspired me with his love of our country and the veterans who made our country possible."

Thank You for Another Successful Restaurant Week!

At the October 12th Township Committee meeting, Mayor Lipani

expressed his gratitude for the success of Hillsborough Townships Fourth Annual Restaurant Week.

"Thank you to all of the restaurants who participated in the 4th Annual Hillsborough Restaurant Week," Mayor Lipani said. "Despite the ongoing challenges our restaurant community faces such as staff and supply shortages, they came together to showcase Hillsborough as a culinary destination. We look forward to our continued partnership and cannot wait to see what you have in store for us during next year's event."

"Thank you, also, to all of the hard work from our staff, to all departments that helped support this event, and to the EBDC Members," he added.

"I am happy to announce that the 5th Annual Hillsborough Restaurant Week will take place from September 27th to October 2nd, 2022." Mayor Lipani concluded. "Planning is already underway so please contact the Office of the Business Advocate for participation details."

Mayor's Walk and Talk

On October 10th, Mayor Shawn Lipani was joined by Hillsborough residents and Township employees for the annual Mayor's Wellness Walk and Talk.

Hillsborough Township residents chatted with the Mayor and asked questions while enjoying the beautiful fall foliage and orchid garden at Duke Farms. Thank you to everyone who participated in this year's Mayor's Walk and Talk.

Down Syndrome Acceptance Month

At the October 12th Township Committee meeting, Mayor Shawn Lipani read a proclamation designating October as Down Syndrome Acceptance Month.

Approximately 1 in every 700 children are born with Down Syndrome, representing an estimated 6,000 births per year in the United States. People with Down Syndrome contribute to their families, their schools, their co-workers, and society. They have hopes and dreams and make a difference in this world.

GiGi's Playhouse in Hillsborough has successfully supported families in New Jersey since opening in January 2015. Through community support, they have been able to

educate others about Down Syndrome. Their vision is to maximize self-confidence and empower individuals to achieve their greatest potential. Their goal is to create a world where individuals with Down Syndrome are accepted and embraced in their families, schools, and community.

Patrick McCarthy, Eagle Scout

At the October 12th Township Committee meeting, Mayor Shawn Lipani read a proclamation honoring Hillsborough High School Junior, Patrick McCarthy, for achieving the rank of Eagle Scout.

Patrick's Eagle Scout project consisted of cleaning and rehabilitating the Triangle Elementary School Friendship Garden. Weeds and dead plants were removed, three tons of stone were laid down, the paver brick area was painted and sanded, and the benches were cleaned and painted. The project took over 162 hours to complete with the assistance of 17 volunteers

Congratulations to Patrick for his impressive achievement and the best of luck in the future!

Italian-American Heritage Month

At the October 12th Township Committee meeting, Mayor Shawn Lipani read a proclamation designating October as Italian-American Heritage Month.

Italians began migrating to the United States in the 1880s and today there are more than 26 million Americans of Italian descent in this country. Italian Americans have flourished in all areas of public and economic life while preserving their proud Italian traditions and heritage.

UNICO Italian- American Club was founded in 1922 nationally. The Hillsborough chapter of UNICO was founded in 2009 as an Italian American service organization committed to charitable works, supporting higher education, and performing patriotic deeds under the motto "service above self."

The [Hillsborough chapter of UNICO](#) annually awards the Brian Piccolo Scholarship to two Hillsborough High School students, awards a scholarship to Miss UNICO, supports the Rotary Fair's Family Fun Day, recently donated almost 500 pounds to date to the Hillsborough Community Assistance Network (C.A.N.) as part of the 1000 pounds of pasta project, and has engaged in many fundraising events to support the community and continues to do so.

Neshanic Reformed Church Donates Recipes-in-a-Bag

Neshanic Reformed Church members volunteered their time to research, collect, coordinate and assemble "Recipe-in-a-Bag" meal kits for clients of the Hillsborough Township Community Assistance Network (C.A.N.) food bank.

Each reusable bag included all the ingredients for two family-sized meals with recipe cards. Recipes were selected using items commonly distributed to clients on a weekly basis.

In addition to the meal kits, the church collects donations for the food bank every month. Neshanic Reformed Church is located at 715 Amwell Rd in Hillsborough. Sunday Service is offered Sunday mornings at 10:00 am in person and online. All are welcome!

Plastic Bag Update

Thank you to all Hillsborough residents who donated their plastic shopping bags and other plastic items. You truly came through and the Township collected more than 500 pounds of plastic in less than two months! In fact, we received so many bags that we can't collect any more bags at this time.

Trex will use the collected plastic to create composite decking and other items.

Thanks to you, we will soon have a brand new, sustainable bench from Trex that will find a home in one of Hillsborough Township's beautiful parks.

Thank You!
Due to the generosity of the community we will reach our goal in record time.
