HILLSBOROUGH e-News

Township News

As of Monday, June 8th the Mayor's eNews will be published three (3) times a week on Monday, Wednesday and Friday. COVID-19 case information will continue to be updated daily on the Township <u>website</u>.

Hillsborough Health Department Business Highlight:

The Hillsborough Health Department has come across some exceptional attention to detail while conducting their observational surveys and inspections. This week the Hillsborough Health Department wanted to highlight Wawa, at 381 Triangle Rd, for going above and beyond service in implementing protocols to break the chain of infection for Covid-19, and make customers feel safe to shop there. Wawa has a coffee-by-order option to help enforce a strict 6 foot social distancing practice. In addition, their bakery section has all their pastries wrapped to provide an extra level of cross contamination prevention.

Registered Environmental Health Specialist Nick DeLisi performing inspection

Hillsborough Township - Curbside Recycling Visual Guide

For a complete list of materials accepted in curbside recycling, please see the <u>Somerset County Recycling How To Guid</u> Hillsborough Recycle Coach The phrase to remember if you do not know if an item is recyclable or not is "When is doubt, throw it out"

NJ DEP Announces Free Fishing Day to be Held Saturday, June 6th

Free Fishing Day is held annually in conjunction with National Fishing and Boating Week. Anglers are welcome to fish in New Jersey's public waterways on June 6th without a license or trout stamp, but all other regulations, including size and daily catch limits will remain in effect. <u>Read more</u>.

NJ American Water Tips for Wise Water Use

- **Reuse it.** Use water from rain barrels and kiddie pools for watering lawn and gardens.
- Embrace the bucket! Instead of using a running hose, use water contained in a bucket for washing cars and pets, and rinsing sandy/grassy feet.
- **Timing is everything.** Only water during the coolest parts of the day (early morning or evening) to minimize evaporation. Also, be aware of which plants don't need to be watered every day.
- Odd/Even Watering of your lawn. Watering your lawn uses a lot of water, so only water your lawn when it needs it. Generally, lawns only need an inch or so of water per week.
- **Rain delay.** Watch weather forecast to avoid "Mother Nature" re-watering your garden, which could also damage plants.
- **Pick your plants wisely.** Purchase varieties that require less water and remain hearty in drier weather. And don't forget to mulch (only 2-3") to help with water retention.
- Be a leak detective. Find and fix leaks and breaks in hoses, sprinkler systems and pipes. For help, download New Jersey American Water's Leak Detection Kit.
- **Raise the blade.** Raise the level of your lawnmower blade to avoid lawn burnout and the need for watering.
- Keep an eye out. Watch your sprinkler's "sweep" to make sure all the water is reaching vegetation that needs it and not the pavement! Check this frequently in case a person or animal has accidentally redirected your sprinkler.

Updates from the Hillsborough-Millstone Municipal Alliance

Upcoming virtual program will be held on June 9th. For information on registration.

• June 9th: Somerset County hosting a Narcan training

Parents Who Host - reminder for parents about the consequences of serving underage kids as the summer/grad season approaches. For the safety of your children and our community, please keep this in mind as you celebrate this accomplishment.

Hillsborough High School Field Hockey Team's Homework Helpers Offering Free Tutoring (click here for more information)

Online school has its advantages and disadvantages. In efforts to help out younger students who are having difficulties adapting to online school, the Hillsborough High School Field Hockey team is volunteering their time to tutor, read stories and answer school-related questions to younger kids via email and google meet. The team is available to help out grades K-8. The team has girls who are skilled in Math, Science, History and English. <u>Read more</u>.

COVID-19 Hillsborough Reported Case Update

COVID-19 Case Information is updated daily on the Township website

	Hillsborough	Millstone	Somerset County	New Jersey	United States
CASES	375	2	4,075	162,530	1,842,101
DEATHS	52	NA	422	11,970	107,029
RECOVERED	185	NA	NA	NA	NA

Breakdown of Hillsborough Township Cases As Reported by Hillsborough Township Health Department

Positive Hillsborough Township Cases by Age Range

Disclaimer:

Please be advised that the numbers posted here and on the Township website are those that are reported by Hillsborough Township Health Department based on reports from the NJ Department of Health surveillance system. The reported numbers are only from those individuals who have been tested for COVID-19 and are confirmed positive through an FDA approved laboratory for COVID-19 testing purpose. It does not include those contacts of the positive individuals or any individuals, who are sick and have not been tested.

Hillsborough Long Term Care/Assisted Living Facilities

* Confirmed cases and confirmed deceased from Long Term Care and Assisted Living Facilities may not also be included in the total number of cases above.

The number of cases from the above section by age and deceased cannot be added to the Long Term Care and Assisted Living Facilities confirmed cases and confirmed deceased to get a total case count and a total deceased count. The reason for this is that there are different reporting mechanisms in place capturing that data. The NJ Department of Health surveillance system obtains reports from State run labs. The Long Term Care and Assisted Living Facilities utilize many different labs, State, out-ofstate and private, therefore, their numbers are not completely reflected in the total Hillsborough numbers from the State system at this time. That withstanding, you cannot simply add the two sets of numbers either to get a total case count, as some of the LTC/ALF numbers are counted in the State system.

If you are a Hillsborough resident and have tested positive for Coronavirus / COVID-19, please contact the Health Department at 908-369-5652.

The Hillsborough Township Health Department continues to monitor all cases and is working with the State to identify any potential contacts for follow-up. A representative from the Hillsborough Township Health Department will reach out to all individuals determined to have been in close contact with the positive testing persons within 24-48 hours of each case being confirmed.

Updates from NJ TRANSIT

In conjunction with NJ Transit's efforts to combat the spread of COVID-19, it is essential for our customers and employees to practice social distancing by adhering to Governor Murphy's Executive Order 125 and the CDC's preventative steps for COVID-19.

Per <u>Governor Murphy's Executive Order 125</u>, NJ Transit requires all personnel, customers and riders to wear a face coverings, among other requirements, strengthening NJ Transit's efforts to protect the public during the COVID-19 pandemic.

Other requirements are customers should be using NJ Transit services for essential travel only and NJ Transit workers authorized to limit passenger occupancy to 50% of the vehicle's maximum capacity on all trains, buses and light rail lines.

NJ Transit will continue to respond to the latest on COVID-19 with customer and employee safety as a top priority and keep you informed of our response. Check these links to keep informed:
