Department Updates

Hillsborough Township Municipal Services Open to Residents and Businesses

Municipal Building Now Open

After several months of the Peter J. Biondi Municipal Building being closed to the public amid the COVID-19 public health crisis, the building reopened on Monday, July 6th at 8 am. Safety precautions are in place to protect both the public and the employees of the facility. Visitors are required to wear a mask or other facial covering. Visitors are also reminded to practice social distancing of at least 6 feet apart and will be required to sign in the visitor entry log, located at the main entrance of the building.

If you are experiencing any of the following symptoms or have experienced these symptoms in the last 72 hours, please do not enter this building:

- Have a fever or feel feverish
- Cough (unrelated to allergies)
- Shortness of breath
- Unusual fatigue
- New loss of sense of taste or smell
- Worsening / consistent headaches
- Unusual muscle pain
- Sore throat (unrelated to allergies)
- Diarrhea
- Nausea
- Vomiting

Visitors are reminded that all services are available online or by calling the respective departments. Although we miss having our residents and visitors in the building, we are asking your help in preventing the spread of COVID-19 and adhering to the above requirements.

At this time, the Senior Activity Center remains closed.

The hours of operation for the Peter J. Biondi Municipal Building will be Monday - Friday, 8 am until 4:30 pm until further notice.

*Presumed = Official Recovered + Presumptive Recovered

Daily Case Count

Breakdown of Hillsborough Township Cases As Reported by Hillsborough Township Health Department

Positive Hillsborough Township Cases by Age Range

Deceased by Age Range

Disclaimer:

Please be advised that the numbers posted here and on the Township website are those that are reported by Hillsborough Township Health Department based on reports from the NJ Department of Health surveillance system. The

reported numbers are only from those individuals who have been tested for COVID-19 and are confirmed positive through an FDA approved laboratory for COVID-19 testing purpose. It does not include those contacts of the positive individuals or any individuals, who are sick and have not been tested.

Hillsborough Long Term Care/Assisted Living

* Confirmed cases and confirmed deceased from Long Term Care and Assisted Living Facilities may not also be included in the total number of cases above.

The number of cases from the above section by age and deceased cannot be added to the Long Term Care and Assisted Living Facilities confirmed cases and confirmed deceased to get a total case count and a total deceased count. The reason for this is that there are different reporting mechanisms in place capturing that data. The NJ Department of Health surveillance system obtains reports from State run labs. The Long Term Care and Assisted Living Facilities utilize many different labs, State, out-of-state and private, therefore, their numbers are not completely reflected in the total Hillsborough numbers from the State system at this time. That withstanding, you cannot simply add the two sets of numbers either to get a total case count, as some of the LTC/ALF numbers are counted in the State system.

NJ Residents with a Positive COVID-19 Test: **Instructions & Next Steps**

If you are a Hillsborough resident and have tested positive for Coronavirus / COVID-19, please contact the Health Department at 908-369-5652.

The Hillsborough Township Health Department continues to monitor all cases and is working with the State to identify any potential contacts for follow-up. A representative from the Hillsborough Township Health Department will reach out to all individuals determined to have been in close contact with the positive testing persons within 24-48 hours of each case being confirmed.

Testing at Raritan Valley College (RVCC) on Thursday July 9th

Somerset County residents have another opportunity to get tested for COVID-19. The drive-thru test center at RVCC will be open from 10 a.m. to 1 p.m. on Thursday, July 9th. Appointments can be scheduled online at <https://somerset-hunterdon.adlabscovidtest.com>. Prescriptions are no longer required for testing.
